1. [None so far]

September

1. [None so far]

October

1. [None so far]

November

1. [None so far]

December

1. [None so far]

Online workshops (must show proof of having completed the online study):

The following meetings/workshops/education providers are always approved:

1. North Dakota Speech-Language-Hearing Association annual meeting; October 2010.
2. Minnesota Speech-Language-Hearing Association annual meeting.
3. Manitoba Speech-Language-Hearing Association annual meeting.
4. Most ASHA sponsored workshops.
5. Any college or university credits *directly relating* to Speech-Language Pathology or Audiology.
6. Any National Hearing Aid Society sponsored workshop.
7. American Academy of Audiology Annual Meeting.
8. American Society of Dispensing Audiologists.
9. American Auditory Society.

The list of approved continuing education will be updated as requests are made. Please check this list to see if a class you are interested in has already been approved. Once it's on the list, you do not need to request approval. Pre-approval of courses is to your benefit as it will make your relicensure process go more smoothly and quickly.

Please note: *Whether a course is on the list or not and whether it is ASHA approved or not, you will always need to attach proof of attendance (i.e., certificate of completion, registration receipt, etc.) when you submit your renewal form.*

The continuing education request form is also on the internet at: www.und.edu/dept/ehd/NDSBE/
