

## Emphasis Checklist

**\*For students whose first semester of enrollment at UND was Fall 2007 or later\***

**To complete an emphasis:**

- 1. The student must pass at least four (4) courses in the chosen area(s).**
- 2. At least one of the courses must be identified as a “Core Course” (denoted with an asterisk (\*) below) for that emphasis.**
- 3. At least one 400-level course must be included (could also be a Core Course).**

The frequency of course offerings are based on the preliminary long-term course schedule and may change due to the availability of faculty to teach the course. It is not guaranteed that the courses will be offered as listed.

- F = Fall Semester
- Sp = Spring Semester
- Su = Summer Term

### Psychology of Human Development

| Course                            | Crds | Frequency       | Semester Completed |
