Table of Tables	vi
Introduction	1
A New Vision for the Community	3
Chapter 1. Community Structure and Dynamics	6
Nature of the Community	6
Structure and Dynamics of the Community	8
Chapter 2. Sustainable Community Development	12
What Is Community Development?	12
How Do You Do Community Development?	13
What Is Sustainable Community Development?	16
Three Dynamics of a Sustainable Community: Economy, Ecology, and Equity	16
Principles of Rural Community Sustainability	18
Six Basic Strategies for Sustainable Economic Development	19
Chapter 3. Sustainability and Local/Regional Food Systems	21
Food Systems	21
The Changing Food System	23
Sustainability	30
Sustainable Community Food Systems	31
World Views	34
Components of a Sustainable Community Food System	36
Sustainable Community Food Systems and Local Development	38
Definitions of Sustainable Agriculture	41
Types of Sustainable Agriculture	41
American Food Facts	43

Chapter 4. How to Study Communities and Local Food Systems	45
Participatory Research: “Food Circles”	45
How to Take the “Pulse” of Your Community	46
Chapter 5. How to Establish Community Component Baselines	52
Context and History of the Community	54
Demographic Structure of the Community	56
Economic Structure of the Community	58
Community Infrastructure and Institutions	60
Housing Conditions of the Community	62
Social Structure of the Community	63
Culture, Ideology, and Politics of the Community	64
Community Leadership	65
Chapter 6. How to Assess Community Food Systems	67
Chapter 7. Case Examples of Alternative Components in a Community Food System	80
Case Study 1. Direct, Off-farm Marketing	
Case Study 2. Community Supported Agriculture	
Case Study 3. Value-added Processing	
Case Study 4. Institutional Purchases of Locally Produced Foods	
Case Study 5. Sale of Locally Produced Foods to a Cooperative Food Store	
Case Study 6. Sales of Locally Produced Foods to Grocery Stores in the Community	
Case Study 7. Community Garden	
Case Study 8. Farmers’ Market	
Case Study 9. Direct, Off-farm Wholesale Marketing	
Case Study 10. Tribal Gardens	
Case Study 11. Value-added, On-farm Processing	
Case Study 12. Value-added, Marketing Cooperative	
Chapter 8. How to Create a Local Food System and Sustainable Community Plans	133
Where are we now?	133
Where do we want to be?	134
How do we get there?	135
Chapter 9. How to Evaluate the Impact of Alternative Local Food Systems	137
Evaluation Research	137
Evaluating Local Food Systems Projects	139
Economic Indicators (Financial and Constructed Capital)	143
Environmental Indicators (Environmental Capital)	144
Social Equality Indicators (Social and Human Capital)	144
